

**City-Hydro** takes fresh produce to a whole new level. Our artisan boutique greenery, located in Fells Point, supplies local restaurants, small local grocery stores and farmer's markets with the finest quality heirloom varieties of microgreens, petite greens, exotic herbs and edible flowers **100% Organic** and Pesticide Free.

**City-Hydro's** cutting edge innovative in-hydro and aquaponic technologies allow us to take farming into the 21<sup>st</sup> century and enable us to grow super healthy 100% Organic and **Pesticide Free** plants in a completely-controlled, self-sustainable environment. Plants are fed a **100% Organic** diet, listen to Zen mantras, and are nurtured in a totally stress-free environment, just like mother nature intended.

Petite Lettuces

Microgreens

**City-Hydro** "The Vertical Farm" living microgreens, petite greens, exotic herbs and edible flowers are delivered to our friends with roots attached to insure freshness - either in our "**Living Trays**" or retail packaging. Our produce stays fresh in our easy-to-maintain living trays for days. Untouched plant roots keep our plants alive and ready to be harvested on demand – truly "**farm to fork**".

**City-Hydro's** vision: creating a stable supply of **living produce**, intelligently grown in our peaceful environment, ready to feed an urban consumer with no negative impacts on the environment nor the consumer. We are a small artisan boutique greenery that takes pride in our one-to-one relationship with our friends/clients. Our hands-on approach allows us to ensure you will always get the very best quality that **mother nature** has to offer.
